1. Approval of Minutes  
4 March Meeting  
(IAC-M-331)

Approved as written.

2. Situation Review

- a. Watch Committee Report  
No. 396

Noted.

- b. Review of Sensitive Situations

At the Chairman's request General Schow gave the members an appraisal of the military situation in Indonesia. In the course of this presentation, General Schow noted reports regarding the use by the central government of some troops with Communist affiliations or orientation. The members also discussed recent developments in the Indonesian political situation.

The Chairman and members exchanged views on recent information bearing on the relations of King Saud and Nasser.

The Chairman referred to the favorable results of the Sudanese election. Mr. Arneson also commented on present developments in, and the general outlook for, the US employment of its "good offices" in the French-Tunisian dispute.

4. Discussion of Comments by  
President's Board on Proposed  
Revisions of NSCIDs

The Chairman referred to the invitation of the IAC members to attend the NSC meeting at which the proposed revision of NSCIDs would be discussed. He then exchanged views with the members on the comments by the President's Board of Consultants on Foreign Intelligence Activities on the draft NSCID revisions, which had been forwarded under a memorandum from the Executive Secretary, NSC. After reviewing comments by the President's Board and other relevant matters, the members concurred generally in the views expressed by the Chairman and he indicated that any presentation of his views before the NSC would be made in the light of this discussion with the members.

5. SNIE 71-58  
The Developing Situation in  
North Africa and Its Implications
